14<sup>th</sup> June 2024

Dear Parents and Carers,

We have seen another great week at Waseley as we begin to get into the rhythm of the final term.

Our interhouse Art competition winners were announced at the start of this week. Students were invited to produce a piece around the theme 'New Beginnings' to recognise the journey of Waseley and the new build project. We would encourage parents and carers to visit the school Facebook page to see the winning pieces, which are magnificent, demonstrating technical skill and creative interpretations of the theme. We are in the process of organising how we will display these wonderful pieces in school. Our interhouse competitions continue this week with a short story competition again with the theme 'New Beginnings'. Students have until Wednesday 19th June to submit their entries to showcase their literary prowess in an attempt to earn prizes and house points.

Our fantastic transition team have very much enjoyed visiting our partner primary schools over the last few weeks learning more about the amazing year 6 students that will be joining us next year. We are looking forward to our upcoming transition events, starting from next week for our SEND students. Final transition information will be sent to parents of our new intake over the coming weeks. We can't wait to welcome them all to the Waseley family!

Today saw another Fizzy Friday in which students got the opportunity to purchase sweets, drinks, pin badges and wristbands at break and lunch as part of our Pride Month awareness. This was hugely popular with students with the proceeds going towards our charity fundraising efforts which have been amazing.

Our Year 11s had their leavers assembly on Tuesday this week and demonstrated the brilliant, mature young people they have become. The atmosphere was truly special as students signed shirts, collected their leavers hoodies, had an emotional leavers assembly and finished with an ice cream in the sun to mark the end of their GCSE journey with us. The conduct of students was exemplary and allowed all to share memories in a positive manner.

A reminder that the open hour for members of the community to see the Waseley building in its current state one last time is next Wednesday 19th June 4pm-5pm. We will share the progress of the new build project and give tours to those who want to see the building and its wonderful history.

We hope that as the Euros start you have a good weekend.

Yours sincerely,

Mr Preston  
Head of School
