

September 2024

Dear Parent/Carer/Neighbour,

RE: Redevelopment of Waseley Hills High School

We have completed the steel frame for the first block, the ground floor slab is in the process of being completed and we will then stone up and tarmac the perimeter of the building.

You can now see the scale of the building and we look forward to welcoming pupils and staff into the space now that we can walk them around “room by room”.

Over the summer holidays the cable route and water pipe were dug into the school road, and the road backfilled in time for the school reopening, the council have approved the partial road closure for October half term for the weekend before, week of half term and weekend at end. This will be a partial closure with traffic lights and access will be possible past the works.

We had hoped to do this during the summer holidays but delayed it due to other closures on Gunner Lane for resurfacing during the same time.

The next steps on site will be to complete the upper floors and roof to allow internal works to commence.

The works continue to be carried out in a phased manner and we would like to assure you that we will put up secure fencing and notices before we start works, we will also be engaging with the pupils of both Waseley Hills and Holywell primary to explain to them what we are doing and the hazards of our works.

We would like to reassure you that Tilbury Douglas are Considerate Constructors, we will always seek to complete our work in a way which causes minimal disruption and where disruption cannot be avoided we will communicate with you in advance and put in as many mitigating measures as we can. If you have any questions or queries throughout the project you have my contact details at the end of the letter.

The scheme is be registered with the Considerate Constructors scheme which is independent of Tilbury Douglas and will give you another means of contacting us should you wish to.

We will produce this newsletter on a bimonthly basis to keep you informed.

If you have any queries, please contact the undersigned at;
