

13<sup>th</sup> March 2025

Dear Parents and carers,

## OFSTED Report

We are delighted to share with you our Ofsted report from their inspection on the 4th and 5th February 2025.

Waseley Hills High School has been graded as **GOOD** in all categories of the Ofsted inspection framework.

We are incredibly proud of our young people, staff and community for their hard work and dedication to their education. It is lovely to read that the inspectors saw what we feel daily, and visitors regularly comment on, the "harmonious and welcoming" feel of our school. Below are some of the highlights of the report which truly represents the improvements at our wonderful school.

"Staff know pupils well and always have their best interests at heart, with many pupils saying, 'Staff here really care.'"

"Pupils are courteous and respectful to others. They take pride in their work and speak knowledgeably about what they have learned."

"Pupils enjoy an impressive variety of clubs and activities. For example, they participate in residential visits, charity work and social action projects. Pupils also take part in school musical productions. These opportunities allow them to explore and nurture their talents and interests while developing important life skills."

"The needs of pupils with special educational needs and/or disabilities (SEND) are identified accurately. Teachers adapt their teaching well to support pupils' individual needs. This helps pupils with SEND to make strong progress through the curriculum."

"Students have a positive experience in the sixth form and are well supported. They are involved in all aspects of the school and regularly mentor younger pupils."

"The trust provides targeted support to raise standards and works effectively with school leaders."

The full report is attached and will be published on the Ofsted website usually within 5 working days from now.

I would like to personally thank you for your part in supporting the school on its transformational journey and I hope that you will celebrate and share such excellent news. It is an absolute privilege to be able to serve such a strong community and see external critical evaluation recognise the talented students and staff at Waseley Hills. We will continue to strive for excellence as we move into our new building in a matter of months. This serves as a moment to push forward and continue to improve.

We thank you for your continued support.

Kind regards,

Mr T Preston
