Dear Parent and Carers,

19<sup>th</sup> September 2025

This week has been a fabulous week for our school community as we welcomed parents, carers and local residents to our Community Hub event alongside having our Pioneer Team Building Day for all students today.

The Community Hub event yesterday evening was a showcase of our wonderful community coming together to support one another. Many parents and carers used it to have a first look at our brand new school building and connect with a whole host of local businesses and agencies that are here to support our young people and community. We would like to thank the impressive array of guests who attended and shared their expertise and a huge well done once again to our excellent Wellbeing Team who organised the event to great success. We had representatives from Starting Well, Respect, SENDIASS, WEST, Safeguarding Snug, P&E Sports, Basement Project, Rubery Library, RAF Cadets, St. Chad's, Stand Out Drama Company, Malachi, YMCA, New Starts, Touchstones, West Mercia Police, School of Dance and Rubery Swop Shop. If any of our parents or carers would like further information about these organisations and the best way to contact them, please reach out to Mrs McLeod who will support you.

L-R: Mrs Colalter, Mrs Ross, Mrs McLeod, Mrs Masters, Mrs Stanford

Today we had our Personal Development Day for all year groups in the school. Their schedule was packed with activities that stretch and challenge them beyond their curriculum lessons. Students had an assembly delivered by Kooth around mental health and wellbeing of young people and follow up activities to support them in the future and signpost, where appropriate, to the support on offer. They also took part in a Pioneer team building activity on the field where their teamwork was put to the test in physical activities designed to challenge and reward perseverance. Subjects also created their own enrichment activities based on their subject content to allow students to see the real-life links within their curricula and careers that come from their subjects. Students also had the opportunity to have their student voice on key issues as they completed the PASS survey which helps us support students and helps inform us on what really matters to students in their day-to-day school life. It was wonderful to

Waseley Hills, a high school operated by Central Region Schools Trust, a charitable company limited by guarantee, registered in England and Wales. Company Number 08166526. Registered Office: Suite B06 Assay Offices, 141 Newhall Street, Birmingham B3 1SF.

see the students make effective use of the enrichment offer which is part of our unwavering commitment to the development of well-rounded individuals.

A reminder that on Thursday 2<sup>nd</sup> October, the school will be closed from 12:15pm as we prepare for our first Open Evening in the new building. Students will be given time to get food from the Bistro before this time on that day. Thank you for the vast number of students who have already volunteered to support with the event and showcase our school to the community.

Have a lovely weekend.

Kind regards,

Mr T Preston

Principal
