

Dear Parents and Carers,

21st November 2025

We have certainly seen the switch in weather this week from the downpours of last week have turned into freezing temperatures this week. A reminder for all to bring coats and leave a little more time to safely arrive to school for form time.

We have seen our Year 11s and 13s receive crucial feedback from their mocks this week and how they can take the next steps to ensure they improve in each subject. Students have been excellent at taking on the feedback and completing tasks to improve and re-learn bits that the mocks showed they could improve upon.

It was great to see so many Year 11s attend out Sixth Form Open Evening yesterday to start selecting their courses and speaking to their teachers and other sixth form students about what it's like studying A-levels at Waseley.

As part of our enrichment guarantee Year 13s have worked hard to design and implement a Relational Database Management System based on a given scenario. They have worked collaboratively to discuss the attributes, filed sizes, validations, input masks and queries required to support the customer and business.

This goes alongside the Year 11 Parents Evening which takes place next Thursday 27th November from 4-6:30pm. Booking is now open through Arbor so please read through the attached letter sharing instructions on how to book appointments. This is the most important Parents Evening for parents and carers to receive the information on how to support revision at home, collect past papers and revision resources and hear about precise feedback for their son or daughter.

We are midway through planning our Year 7 Children In Need lunchtime party on Thursday 27th November, from 13:00 until 13:40. Pizza, cake and biscuits for each child will be provided, we ask for a donation of £1, going to Children In Need. Entertainment has been booked (live music from our Year 11 GCSE band) alongside small activities from our Wellbeing Ambassadors. We really look forward to your support in helping us raise money. Please ask your child to speak to the tutors, who will write the invitations. We will need payments by Monday 24th November the latest please, so we know how many children to provide pizza slice, cake and biscuit.

As part of our commitment to the community please be aware that our families can request support with food vouchers via your Head of Year.

A reminder that next Friday 28th November the school is closed to students.

We hope you have a lovely weekend.

Mr T Preston

Principal
