Dear Parents and Carers,

27th March 2026

What a wonderful way to conclude the Spring Term with a host of activities and events keeping us busy as ever here at Waseley Hills High School.

This week saw all the hard work and efforts of the cast and crew of *Oliver Jnr* in their packed out theatre performances for two nights and a matinee for 60 students from Holywell Primary School. The production has been the fruits of months of hard work, extremely long days and a genuine whole school effort from students and staff. The exceptional talent and showmanship of our students was incredible and a standing ovation on the closing night was more than deserved for such a professional performance.

Some of the feedback from audience members and parents are testament to the dedication and commitment to all involved with many sharing effusive praise on their way out of the performances on both evenings:

"It was out of this world"

"Wow what a show!!"

"Better than the West End"

"This is so much talent here at Waseley"

"Wow, wow, wow! What a fabulous show. Honestly, I was blown away, it was so professional, the kids were just amazing!"

The school were also invited to take part in a competition for school musicals. Waseley has not taken part in this competition since 1988 and we are pleased to say we scored over 90% with the judge commenting that we had the best schools Nancy he has seen! He was hugely complimentary of our performance and congratulated all involved in a fantastic performance. As a result, we have been invited to an awards ceremony next September as part of this commendation at the Lord Mayor's Chambers so we can't wait to see the outcome.

A message from Miss Boyle and Mrs Edwards, "we would like to offer a personal and heartfelt thank you to each and every member of the cast, crew, Art and DT department, support staff and students for front of house and refreshments, Mrs Bishton for the programme and Mr Preston, Mrs Loveridge and Mrs Meredith and all staff, students and parents that came to watch and offer their support. We couldn't have done it without you!"

Central Region Schools Trust

This week, the Y10 GCSE food group enjoyed a trip to Morrisons to learn about fish mongering and what is involved. The students were engaged and some were able to apply the skills in a workshop. The students found the experience helpful and will be able to use what was learnt to inform their work back at school and improve their outcomes in the subject.

The Waseley School council held the termly meeting on Wednesday to discuss some options for finishings to the Sports facilities in the new build. Students were excited to have their say and know that their voices have been heard. There were also some insightful discussions around the school values, what they mean to the students and if we need to review them and update and move forward with the new suggestions. The council members felt it was important to get the views of the whole school and so are going to hold a vote for all tutor groups after Easter. The meeting concluded with the exciting news around a school council trip to parliament in London in June.

The Y11 Dance group have been working hard to create and choregraph their own pieces since the release of the stimulus in January and today have performed their collaborative work with professionalism and energy. An amazing way to finish the practical element of the course and we wish them luck for the controlled assessment the first week back.

We would like to take this opportunity to thank you all for your continued support during this term. We wish you a restful break and look forward to welcoming all the students back for the summer term and hopefully sunny days on Monday 13th April, normal start time.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'T Preston', written in a cursive style.
