Aspire, Invest, Respect

Waseley Hills High School

Mr. T. Preston, Principal

School Road

Rubery

Birmingham

B45 9EL

Dear Parents and Carers,

5<sup>th</sup> June 2026

The first week back after the May half term holiday has been brilliantly busy and full of Waseley energy. Staff began the week planning and preparing their Enrichment Week - 'E-Week' preparations within their departments. The final week of term commencing the 13<sup>th</sup> July is a week full of activities designed to give students the education outside the classroom and part of our commitment to the CRST Enrichment guarantee. A number of external speakers and events have been organised as well as celebration assemblies with lots of prizes to be won. The week includes: Mass Engagement event with a published poet and performance company; Loudmouth theatre in Education company sharing performances exploring issues such as wellbeing, knife crime and exploitation; The Army, RAF and Aquarius looking at the dangers and impact of vaping; WEST and YMCA bespoke workshops around mental health and wellbeing and taking care of ourselves and others.

## Attendance

Of course, the attendance to school is vital to be able to make the most of these opportunities and the Waseley Six Challenge loyalty card was launched on Monday. Those students achieving 100% attendance each week will receive 20 ETHICS points and these are added up to gain access to a whole host of prizes towards the end of this term. The students will get to vote for their rewards but already a karaoke, picnic, football and pizza party have been put forwards by students as potential rewards. If you achieve 6 weeks of 100% attendance, students will get access to select their prize and of course all of the students ETHICS points can continue to be spent at the Reward shop daily.

## Pride month

Fizzy Friday returns this month to celebrate Pride month. Every Friday at break time bring a £1 for cans of pop and PRIDE pin badges to show your support for our inclusive culture.

## Morgan Stanley

We have once again had a successful day where our Year 7s have demonstrated exceptional teamwork, communication and presentational skills to work on a business idea which is sustainable alongside being profitable. Each of the teams presented their business proposal through presentation to inform and persuade, poster to offer more customer engagement and profit/loss sheet to encourage the Morgan Stanley "dragons" and myself to invest. Feedback from the Morgan Stanley team:

*"The level of confidence and resilience of each student keeps growing, which is fantastic to see. Students were confident to answer the dragon's business-related questions, they clearly did their research!"*

My absolute highlight of this afternoon was a Year 7 student giving the following feedback, **"of all the activities and projects I have ever done in my time at school, this one was the best, way better than anything else I have ever had the chance to do. I've learnt so much about business and presenting skills. The Year 7 group are so lucky to be able to be a part of this next year. Thank you so much!"** All students received certificates, but the overall top three business investments will be announced in assembly next week.

## Mental Health

We look forward to marking men's mental health week 15<sup>th</sup> - 19<sup>th</sup> June with Wear it Blue on Monday 15<sup>th</sup> followed by some form time activities and a blue themed fizzy Friday on the 19<sup>th</sup> June.

**Reminders**

Please could we ask for your support in ensuring students are wearing plain socks to school and not branded. We would also appreciate it if you could speak to your children who ride and scoot to school to lock their bike/scooter to the fence opposite reception where there is CCTV.

Thank you for your continued support.

Kind regards,
