Dear Parents and Carers

Thank you so much for your continued support and understanding during what has been a very warm spell of weather.

We want to start by saying how proud we are of our school communities. Pupils, staff, and families have all responded brilliantly, and that speaks volumes about the strength of our Trust family. Throughout this period, the wellbeing of every child and member of staff has remained at the very heart of every decision we've made. Each of our schools has responded thoughtfully and proactively, using their knowledge of their own buildings and the latest national guidance to ensure the safest, most supportive environment possible.

Across our schools, a range of positive steps have been in place – including flexible uniform options to keep pupils comfortable, regular hydration breaks, reduced physical activity during the hottest parts of the day, and the use of cooler spaces throughout the building. Where it was the right call, schools also adjusted their timetables, including earlier finishes, to prioritise everyone's wellbeing.

We're really pleased that our schools have been able to remain open and welcoming – providing the structure, care, and consistency that so many of our young people genuinely thrive on.

As always, we will keep a close eye on conditions and act swiftly wherever needed.

Thank you, as always, for your continued support.

Yours faithfully,

Guy Shears
Chief Executive Officer
Central Region Schools Trust

Ian Mellor
Director of Education
