

PRINCIPAL'S UPDATE

Friday 16th October

Dear Parents and Carers,

This week saw the launch of our next whole school musical production - Frozen Jr! For the first time, the show will be performed on 3 nights from Tuesday 23rd to Thursday 25th March. More than 50 students attended for the big reveal and we have now had over 70 students sign up for auditions - a new record! Mrs Edwards and Miss Boyle are extremely excited for auditions after school on Tuesday and Wednesday next week to hear all the amazing talent Waseley has to offer and to get cracking on rehearsals after half term. Watch this space for more Frozen updates to come and news of when tickets will be going on sale!

I'm pleased to be able to share with you our new student leadership team. Please do ask them about their roles and support with events across the school.

An exciting year ahead! The diversity committee have already proposed some ideas and after half term they will be launching the Christmas Hamper competition and start planning Charity week.

Sporting Updates

Netball

On Tuesday, the Year 10 girls represented Waseley brilliantly in their netball tournament, putting in some fantastic performances and demonstrating brilliant teamwork and sportsmanship throughout. The girls got off to a great start against Tudor Grange in an extremely tight and competitive opening match. Waseley kept their composure until the final whistle and secured a well-deserved 5–4 victory.

Next up was Trinity, where the team really found their rhythm and produced another strong performance, securing a comfortable 6–2 win.

The final game saw Waseley face Woodrush. Unfortunately, despite the girls' determination and effort, Woodrush came away with a 4–0 victory.

All the girls should be incredibly proud for finishing the tournament with two wins and one defeat. A special congratulations goes to Keeley, who was voted Team's Player of the Tournament by her teammates. Gracie and Amelie were also recognised for their fantastic performances, both receiving the Teacher's Player of the Tournament.

District Cup Quarter Final

Waseley Year 9 progressed to the District Cup semi-finals with a convincing 5-0 win away at Woodrush. Goals came from Keane, Freddie, Connor and Tommy (2) in a dominant performance. The scoreline could have been even bigger, with Waseley creating plenty of chances throughout. A great team effort sees the boys through to the semi-finals after half term.
