

Waseley Hills High School Ski Trip - Austria 2024

Over February half term, 33 Year 8 and 9 students from Waseley Hills spent an amazing week on the slopes in Alpendorf, Austria. Students showed incredible determination and perseverance, learning to ski over the course of 5 days.

Resilience and independence grew as the week progressed with all students venturing on to the main mountain. Some students even conquered red and black runs –impressive progress for beginners!

In addition to skiing, students enjoyed a fantastic alpine rollercoaster 'The Lucky Flitzer' and had lots of fun bum boarding!

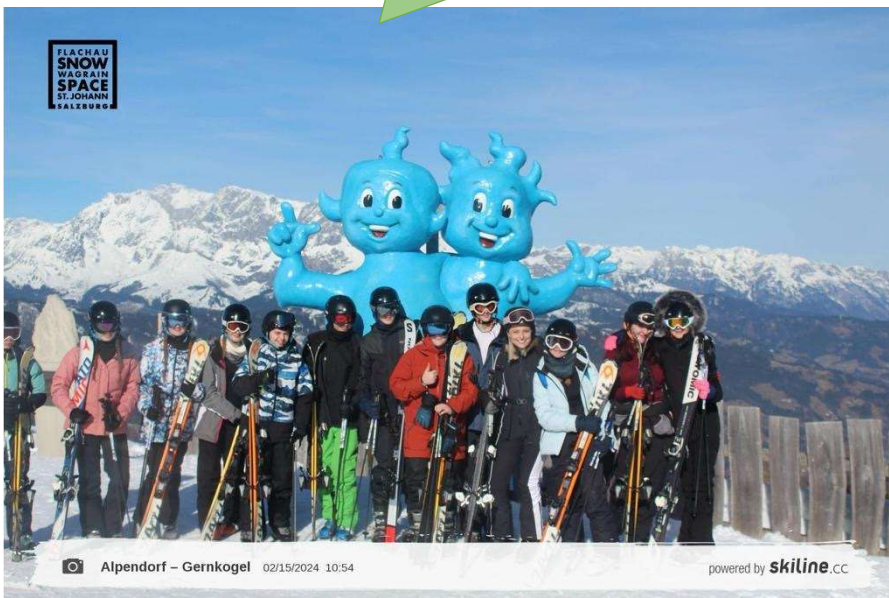

Austria was an incredible experience! It showed me I am capable of so much more than I thought. I'll never forget it.
